Re: Eagle Feather Fellowship for Thriving Women
Missing and Murdered Indigenous Women

Dear Parent and Guardians;

On September 16th Noli will have two former students on campus as Guest Speakers. Vanessa Fernandez and Shania House are part of the *Eagle Feather Fellowship for Thriving Women*, a program of the Seventh Generation Fund for Indigenous Peoples. They will be here to discuss and present on the sensitive subject of Missing and Murdered Indigenous Women. Their presentation will contain graphic and sensitive material. Due to the nature of the content we will only be offering the presentation to our High School classes. If you would like to review the material prior to the presentation please contact our front office. If you do not want your son/daughter to participate in the presentation and discussion please inform the front office before the morning of September 16th.

Sincerely,

Donovan Post
Principal
