RE: Parent/Student Handbook for 23/24SY  
Addendum to Absence Policy Page 12

Dear Parents and Guardians:

Please see below for a copy of Addendum to Noli's Absence policy that appears on page 12 of the handbook.

Per the agenda book under total absences on page 12, it states that a student will not accrue more than 20 absences in a total year. This includes excused and unexcused absences. These 20 days are split into semesters. A student can not miss more than 10 days per semester. At 7 days, the student and parent will meet with the principal and will be placed on an attendance contract. If the student breaches this contract and misses more than 10 days, they will be dropped from Noli.

Keep a copy of the addendum with your handbook for future references.

Sincerely,

Noli Staff
