RE: Offensive Language and Racial Slurs

Dear Parents and Guardians:

Noli is committed to providing a safe environment for our students and staff and to prevent abusive conduct in any form. Every person on this campus is responsible for ensuring the safety and well being of all individuals.

Offensive, cussing, swearing and other foul language is not tolerated on campus. We have asked our students to be mindful of the language they use. Teachers, resource officer and the front office will repeatedly remind them to be aware of their language. Effective immediately Students heard using foul or offensive language will be written up, no exceptions.

Noli will be adopting a zero-tolerance policy regarding the use of the "N" word and any additional racial slurs that infer to it. Please be aware that any students that are heard using such slurs will be immediately suspended.

One of the 3 tenants of Noli's philosophy is "Respect". In order to ensure that every person on campus is treated and shown respect, our students will be held accountable when they are not adhering to it.

We appreciate our parent support at Noli. Please feel free to contact our front office at any time with questions or concerns you may have regarding your student(s).

Sincerely,

Donovan Post, Principal
