RE: School Closure/Online transition

Dear Noli Families,

After careful consideration of the current air quality conditions, transportation impacts, the current level of the fire containment, and the possibility of power outages with the anticipated high temperatures, we feel that closing the campus and resorting back to our online learning model is in the best interest and safety of our students, staff and families at this time. We anticipate reopening on Monday to normal instruction. However, we will continue to monitor the situation and adjust as needed.

The students will follow their normal schedule while online. Classes will begin at 8:30am and students must be logged in with cameras ON to receive attendance credit for the class. School will end at its normal time at 3:04pm. All sports games have been cancelled for the week and we will attempt to reschedule any games.

Our hope is that our students can return to school soon. We will update our families with additional information as it becomes available.

Sincerely,

Donovan Post, Principal
