

Good afternoon,

Below are a few important notes for our Noli class of 2023:

- Seniors have a rough draft of their senior project due at the end of the semester (12-16-22) and this is a major grade.**
- Senior projects are a dynamic learning opportunity and also a graduation requirement.**
- The graduation commencement ceremony and the senior awards luncheon are currently set for May 30, 2022.**

As we approach graduation and the end of the school year more information will be available. If you should need any information regarding dates, purchasing a cap and gown, or anything else concerning our seniors and graduation please let me know. I am here for you and to support our class of 2023.

Respectfully,

Mr. Alarcon
