Dear Noli Football Family,

The 2023 football season is around the corner. I am excited for the opportunity to continue building this team into a program every one of you will be proud to see. Many of our players are returning as second year veterans and I am eager to see what they can do on the field this year. Our summer football program ended on June 21, 2023. With that being said, please make sure your child is still conditioning and working out throughout the summer vacation. We will be off for the next 5 weeks and return July 31, which will be a **mandatory** practice. Transportation will be provided. Please donate hydration drinks, protein shakes, protein bars and healthy snacks. Have your child bring any donations with them on July 31 when they get picked up from transportation.

Also, make sure your child has an updated physical. Any questions regarding your child's physical contact our school nurse Cammy Diaz. I have attached important dates for the month of August and equipment needed for practice. If you have any questions, please contact me at (951) 663-3642.

Sincerely,

Jesse Aguilar

Head Coach

GO BRAVES!
