Dear Parents and Guardians,

We write this letter today to inform you of an upcoming event that will impact our school schedule. On December 14th, Noli will be closed for regular classes to allow our dedicated employees to participate in the Tribes Employee Holiday Event.

The Tribes Employee Holiday Event is a special occasion during which they express their gratitude and recognition for the hard work, commitment, and dedication of our school staff.

Although this means a day off for our students, we assure you that our priority remains providing the best possible education and support for your children. The closure on December 14th will not disrupt the academic calendar significantly, and we will ensure that missed lessons are adequately covered to minimize any impact on your child's learning progress.

We understand that this change in the school schedule may cause some inconvenience for parents, and we apologize for any disruption this may cause.

We appreciate your understanding and support. Should you have any questions or concerns about the closure or its impact, please do not hesitate to contact our school office at 951-654-5596.

Thank you for being a part of the Noli community. We look forward to continuing to provide the best educational experience for your child.

Sincerely,

Donovan Post, Principal
